

Jacquard

Pearl Ex Stamp Pads

Re-Inker

Instructions

Substrates: Jacquard Pearl Ex Stamp Pads are designed to be used on many surfaces including: paper, fabric, shrink plastic, clay, leather, glass, wood and others!

Application: In addition to applying with stamps you can also:

- Press or roll three dimensional objects directly on the pad
- Rub the pad onto larger objects to highlight raised areas.

Permanence: These inks are very permanent on most surfaces without any need for setting. On some surfaces, such as clothing that will be washed repeatedly, heat setting may be required. To set on fabric let the ink dry and then iron using a dry iron set appropriately for the type of fabric.

Cleanup: Clean stamps immediately after use with water.
